COUNCIL WILL MEET IN REGULAR SESSION

Various Things of Importance to Be Considered.

The city council will meet in regular session this evening and several matters of much importance will come up. Chief among these will be the formal action on the matter of the transfer of the franchise of the Tempe Light & Power company to the South Side Gas & Electric company. It is understood that the council as a committee of the whole a few days ago, made a tentative agreement with Mr. Chandler which will be of much advantage to the town and which will ultimately mean street lights and a reduction in light charges. It is understood further that a petition will be presented to the council to adopt Southern Pacific time as the official time of the town, one hour slower than the time that is now being used by nearly every one in town. What action the council may see fit to take under the circumstances will be awaited with interest. The saloon men are naturally much in favor of the move as they will be given half an hour longer business hours at night. In view of the fact, however, that mountain time is now the official time of the county and is in use all over the valley, has been adopted here by the normal, the creamery, the banks and the principal business institutions, it is not probable that its adoption as official time for the principal benefit of the saloons will make any special change in the situation.

Tomlinson, president of the Woman's Home and Foreign Missionary society of the Baptist church, calls a very important meeting of all members to be held at her home tomorrow afternoon at 3 o'clock to meet in connection with the regular Friday afternoon prayer meeting. Attention is again called to the chicken dinner which will be served today in the Odd Fellows' hall at 12 o'clock and on by the ladies of the M. E. church, South. The price will be 35 cents.

BANKS WILL CLOSE.

Today being election day, and therefore a legal holiday, the banks will be closed today. Conforming to the law, the saloons will be closed during the hours of the election.

LADIES' SALE.

The ladies of the Christian church will have a cooked food sale at Birchett Bros' store on Saturday afternoon of this week.

MONTHLY MEETING OF CITY COUNCIL

The Ordinance Prohibiting Slot Machines and Gambling

The mayor and all members of the council were present at the meeting last night; in addition, the council chamber was packed with citizens interested in matters which were expected to come up for discussion. The first business was hearing reports of various committees and officers. Chairman Mahoney of the street committee reported that during January \$312.00 had been expended in grading streets, making a total expenditure within the past three months of \$315.50.

Chairman Brackett of the fire and police committee presented the reports of the marshal and police judge, showing that during the month of January there had been but seven arrests for violations of the ordinances. Of this number, all but entered pleas of guilty and been fined; seven were Americans and ten Mexicans. Three arrests had been made for disturbance; two for fighting and the remainder were plain and ornamental drunks. Seven had worked the fines on the streets and the others had paid in cash, amounting to \$97.00.

Chairman Stapley reported as to water and water works. The water board had made considerable extension to the Wilbur section and to what is known as the Horne addition. Also that the water users living in the Lesueur block were using a three-quarter inch main and had asked to have one of regulation size placed for their convenience. A sim-

ilar complaint came from the residents of the M. E. church corner.

The council rebated W. F. Van Meter \$3.00 on license paid in advance for the quarter beginning Jan. 1st.

The following bills were then audited and allowed:

Slot Machines

Ordinance No. 1, prohibiting nickel in the slot machines where there were any blanks, was placed on first reading. In the second reading, also prohibiting all forms of gambling by means of cards, dice, tickets, etc. No tables are to be allowed in pool rooms or other places where games of chance may be played. The ordinance is very stringent, prohibiting anyone under the age of 21 years from loitering in or playing pool in halls, without first having the consent of his parents, which consent must be prominently posted in the hall. Even then, the boy must be at least 16 years of age.

Ordinance No. 67, regulating bankrupt sales, was placed upon third reading and passed. This provides that parties coming to Mesa for the sole purpose of holding bankrupt sales must pay in advance \$15 per day for each day they do business here. This does not prevent special sales and auctions to close out stocks where the merchants have been in business in the town for a period of one year. The object is of course to protect our home merchants, who pay the taxes and also a heavy license to do business.

The time for paying taxes before penalty is attached having expired yesterday, upon recommendation of tax collector Peterson the time was extended until the 19th; if not paid at that time the property of delinquents will be sold for taxes.

The Light Problem

It was supposed that the Mesa Light & Power Co. would have a proposition to offer for supplying lights for the town for the ensuing year or longer, but Manager Harry Chandler announced that he had not yet secured all the data necessary and asked that the matter be taken up at a later meeting. It was decided that when the meeting adjourned it adjourn until Tuesday, Feb. 21st, when the lighting question would be threshed out. At that time those interested will be heard on the lighting question.

MILLET- WILLIAMS

Tuesday evening at 7:30 Miss Cheddie Millett became the bride of Ernie Williams, the ceremony being performed by Bishop Hunsaker at the bride's home. The wedding was simple, there being no attendants. The bride is one of Mesa's most popular young people being raised and educated here. The groom is associated with his father in business and is well and favorably known in the Gem City.

ANOTHER DANCE

The ladies of the Library Board have made arrangements for a dance to be given in the Mesa opera house Friday evening, the 10th. The best of music has been secured and a good time is promised to all who attend and help a worthy cause.

Particularly the Ladies.

Not only pleasant and refreshing to the taste, but gently cleansing and sweetening to the system, Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and dispels colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

Its wonderful popularity, however, has led unscrupulous dealers to offer imitations which act unsatisfactorily. Therefore, when buying, to get its beneficial effects, always note the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package of the genuine Syrup of Figs and Elixir of Senna.

For sale by all leading druggists. Price 50 cents per bottle.
